

I would like a judge switch as I do not feel it was fair to put such a short notice for me to process serve as well as I was denied US Marshall assistance in the process service which also was not fair, Thank fully I was able to privately process serve. I require a jury trial in the interest of justice so the jury can render a decision on relief for my rights being Violated. I prefer Judge Keith if possible.

I recently changed by last name from Galyhsky to Vargas.
